

Business Partner Youth Sponsorship

In addition to employing our youth during the summer, we invite you to be one of our select Business Partners for our Youth@Work/Summer Youth Enrichment Program (SYEP). This is a great opportunity if you do not currently have additional positions open but wish to support youth employment.

There are two ways to sponsor:

- **Capstone Sponsorships** (funds program curriculum, workforce training and transportation cost); and
- **Student Sponsorships** (funds individual students to be fully employed at a nonprofit location).

As a Business Partner, you will be recognized on Youth@Work/SYEP marketing materials and social media. In addition, you will be included in our Business Partner communications and special events.

If you are interested in becoming a sponsor, please complete the following information below and submit the completed form, along with a check made payable to "SYEP Prince George's County" and include "Youth Jobs Fund" in the memo line, to: Community Foundation, 8181 Professional Place, Landover, MD 20785.
